Dear Mom;

Mary's letter of the 4<sup>th</sup> and 6<sup>th</sup> arrived here yesterday. The mail keeps coming thru without a hitch and I'm really thankful for that.

Still feeling fine and outside of a few minor ailments I manage to get along very well. I did have some trouble with a ramble on my knee last week but that's all over with and everything is all right now. I don't mind it in the least because, after all, I can't expect to stay perfectly healthy forever down here.

Glad to hear that you are getting along all right both at work and at home. Did you buy your new winter coat? I hope so. Mary tells me that you and the children get along very nicely. It seems that D. G. really loves his grand-mother. Well, I'm glad to hear that, but take it easy, Mom, don't spoil him. Oh, yes, what's this about your back hurting you. Please, Mom, if you don't

Feel good, don't hesitate to see a doctor. After all  
you're the only mother I have and I wouldn't  
want anything to happen to you.

I was glad to hear that the party for  
the Service Men was a success. I know  
that Mary had a lot to do with its success  
because she always was a good worker.  
By the way, the pin-up girls she is sending  
me are swell. I can hardly wait to see  
the rest of them.

Thanks a lot for the things you are  
sending me Mom, I really appreciate them,  
especially the "Times". It's good to know  
that you are thinking of me. Likewise, you  
and the family are always in my thoughts.

Lee sent me some candy and she is also  
sending me a Xmas present. I'm going to  
send her a couple of coral necklaces in  
return. How did you like the ones I sent you?  
If you would like some more to give to Lena  
or some of your other friends, just say the word  
and I'll send them to you.

God Bless and watch over the fire of you;

Love

George
